

WHAT DO FAMILIES SAY?

- ♥ "We have fallen in love again and feel closer than ever before," says a wife.
- ♥ "I came because she begged and pleaded, but I got more out of this weekend than she did!" said a husband.
- ♥ One couple agreed, "It was the best weekend in nearly 12 years of marriage. We now have a better understanding of each other."
- ♥ And a comment from a son, "I don't know what you guys did on that weekend, but you sure have changed! It's neat!"
- ♥ "I found out how deeply my husband loves me," said a wife. "I will recommend this to every married person I know!"

Your marriage can provide you far more satisfaction, growth and security than any other endeavor. Give your marriage an opportunity!

WHAT IS MARRIAGE ENRICHMENT?

Marriage Enrichment is designed to give married couples the opportunity to examine their lives together – their weaknesses and strengths; their attitudes; their hurts, desires, ambitions, joys and frustrations – and to do so openly and honestly in a private, face-to-face, heart-to-heart “encounter” with the person whom they have chosen to spend the rest of their life.

Marriage Enrichment is for married couples, consisting of one man and one woman, who desire to better their marriage. For those with a good relationship, the Marriage Enrichment Weekend will improve it. For those with a cold relationship, but who are willing to be open and learn, this Marriage Enrichment weekend can be the beginning of relighting the flame to warm both your hearts towards each other.

The idea is for husband and wife to spend a weekend away from distractions and tensions of everyday life, to be able to concentrate on talking deeply with each other, re-establishing couple **COMMUNICATION**.

Central Coast National Marriage Encounter (CCNME) deals with marriage in its Christian dimension, and the experience is open to couples of all faiths. Our approach is one of inter-denominational exploration of what marriage means to us, as individuals and as a couple.

IS THERE A LOT OF GROUP SHARING?

NO. This is not an “encounter session” with group sharing or group dialogue. Sharing only occurs between husband and wife in private. There is NO group discussion.

WHAT HAPPENS ON THE WEEKEND?

The weekend is presented by a “team” of two or three married couples, who have gone through an Enrichment Weekend themselves. They found the weekend so beneficial to their marriage and family life that they have volunteered to help you two share the same experience of renewed love and growth.

The “team” shares experiences from their own lives on various topics of relationships and life. They will then offer you some questions that will lead you to think about and share your views with your spouse on these topics.

WHAT IS THE SECRET?

Why does the Marriage Enrichment experience work so well? Here are just three of many reasons that couples have shared in discussing the experience:

1. Couples see other couples also striving to reach deeper understanding. Many couples comment that so many of their friends don’t seem to value their relationship. You will realize that you are not alone in wanting to make your marriage something special.
2. The presenters set an atmosphere of open and loving dialogue between husband and wife. They provide a model and the opportunity for truly deep communication. The sharing of life experiences by the team couples makes it easier for couples making the weekend to find trust, confidence and understanding within their own relationship.
3. This weekend provides you with a gift of time – free from pressures at home. In such an atmosphere, open exchange can take root.

Marriage Works!

WHAT IS THE COST?

The cost of the Marriage Enrichment weekend, including lodging and meals is \$295 per couple. A non-refundable deposit of \$75 is required upon registration and the balance of \$220 is due at the beginning of your weekend. No fees are paid to presenting couples.

You will also have the opportunity to make a free-will donation to enable other couples to attend a Marriage Enrichment weekend. No couple is ever refused the opportunity to attend a weekend because of lack of funds. CCNME is a non-profit organization and your contributions are fully deductible.

WHERE IS THE WEEKEND HELD?

The Marriage Enrichment weekend is held at The Inn at Work Family Ranch east of San Miguel, California, owned by the Work family. This is a 12,000 acre working ranch opened to CCNME as a gift of love to other couples from the Work family.
